DE BEER
REFINISH

FULL SHADE TONER POSITIONS

Tinter Identification Tip:
Use the last 2 digits from each tinter to identify position on colourwheel.
For example- If using the 500 series drop the 5 from the front.
If using WaterBase 900 series drop the 9 from the front.
If using the 2000 series drop the 20 from the front.
If using the 3000 series drop the 30 from the front.
